LETTER REQUEST

RE: Letter Request for filing new cases

Dear Sir,

Please use this letter as my request for the need to file a new bankruptcy and state court case.

It looks more than likely that I need to open a new bankruptcy and state case since the federal case for mortgage fraud was dismissed and needs to be filed in state court and the bankruptcy was dismissed because I did not submit the documentation in time (I was in your court at the time). In the bankruptcy, I did try to file a motion for reconsideration but that was denied also.

Please accept this letter as my request and motion to open a new case in bankruptcy and state court.
